Dear Mayor Farrell, Supervisor Breed, Commissioner Turman and Director Davis:

RE: First Quarter of 2018 Report in Compliance with Administrative Code 96A

In compliance with the current Administrative Code Sec. 96A, Law Enforcement Reporting Requirements, the attached report includes the following information:

Sec. 96A.3.

(a) For Encounters:

1. The total number;
2. The total number broken down by race or ethnicity, age, and sex;
3. The total number of searches performed broken down by race or ethnicity, age, and sex;
4. The total number of each type of search performed;
5. For each type of search performed, the total number broken down by race or ethnicity, age, and sex;
6. The total number of each type of disposition, and the total number for each disposition broken down by race or ethnicity, age, and sex; and
7. The data for Encounters required to be reported by this subsection (a) shall be reported separately for Detentions and Traffic Stops;

(b) Use of Force

1. The total number of Uses of Force;
2. The total number of Uses of Force that resulted in death to the person on whom an Officer used force; and
3. The total number of Uses of Force broken down by race or ethnicity, age, and sex.

(c) Arrests:

1. The total number; and
2. The total number broken down by race or ethnicity, age, and sex.

(d) Reason for Encounters.

(f) Department of Police Accountability:

- The total number of complaints received during the reporting period that it characterizes as allegations of bias based on race/ethnicity, gender or gender identity.
- The total number of complaints closed during the reporting period that were characterized as allegations of bias based on race/ethnicity, gender, or gender identity.
- The total number of each type of disposition for such complaints.

In addition to the above classifications, the data extracted is also categorized by district stations.

As part of our commitment to transparency, the Department has also reported on all bias-related complaints received by the Department, and forwarded to the Department of Human Resources, (DHR), for investigation. In addition, this report and the attached executive summary will be posted online at [sanfranciscopolice.org](http://sanfranciscopolice.org).

It is important to note that effective July 1, 2018, Assembly Bill 953, the Racial Profiling Act of 2015, will require local law enforcement to collect stop data and submit the information directly to the California Department of Justice. The State law collection and reporting requirements substantially duplicate Chapter 96A's current requirements. As a result, the Board of Supervisors approved an amendment to Administrative Code Chapter 96A effective July 1, 2018, to repeal the data collection and reporting requirements associated with traffic stops, detentions, and arrests to avoid duplicative state and local collection and reporting requirements.

The amended code requires that stop data collected and reported to the Attorney General also be reported to the Mayor, Board of Supervisors, Police Commission, and Human Rights Commission, with the first report due on May 7, 2019. This will allow the Department sufficient time to build a new reporting environment for AB 953 regulated stop data based off the DOJ system, and develop a reporting format that would allow the data output be shaped into a readable report aligned with DOJ policy and reporting dataset interpretation. The amendment allows two semi-annual reports of AB 953 data, with the Department reverting to quarterly reports by November 5, 2019.

If I can be of further assistance, please do not hesitate to contact me at (415) 837-7000.

Sincerely,

  
**WILLIAM SCOTT**  
Chief of Police
