R1	DPA stated that the Department is required to seek DPA input on the WG codes of conduct before working group activity began.		4/6/23	Administrative Question and Answer-not for inclusion in DGO	DGO 3.01.04 (G) does ask for the Chief to seek input from DPA before issuing a new WG Directive, however, the Chief's WG Directive was issued in 2020 and again in 2021, before DGO 3.01 was issued. When the Chief issues a new Directive, DPA's feedback will be sought and the Police Commission will review and adopt at a public hearing. The codes of conduct currently fall under SF Admin Code Sec 67.3 which is the city's passive meeting rules and is outside of the scope of DPA or SFPD authority.	closed
